

Errata Sheet for
SEVEN SHADES OF EVIL
Signed Limited and Lettered
Editions

Due to a technical error at the printer, the block of text on a two page spread was swapped with the adjoining two pages, putting four pages of text out of reading order (although the page numbering was not affected). The correct reading order is: page 33, 36, 37, 34, 35, 38. After that, the pages are in the correct order.

Our apologies for this mistake.
